New Faces

Shaun is an experienced Agile Coach and Scrum Master with a Quality Assurance background. He is passionate about partnering with teams and organizations to build a culture of continuous improvement, and is known for his calm demeanor when building trust with teams. In his spare time, Shaun is a CrossFit coach, loves the beautiful outdoors of Colorado, and enjoys a cold beer with friends on a sunny patio.

Shaun Parris - Delivery Lead

New Faces

I bring my psychology research skills and expertise to user experience research and design. Being a scientist-practitioner at heart, I seek to apply the methods and results of research to real world problems. In my UX work, I translate quantitative and qualitative user research results into new products with elegant interfaces. I guide the product development process from idea to design to implementation.

Zachary Steiner, Ph.D - Creative Technologist
